

COST OF FOREIGN TRANSACTIONS - CITIBANK CREDIT CARDS

Use the calculator on the Bank's website (<https://www.citibank.pl/kursy-walut/kalkulator-karta-kredytowa/>) to calculate the costs of your transactions at the ECB (European Central Bank) mid-rate:

1. Select the type of your credit card.
2. Enter the transaction details:
 - a) Select the currency of the foreign transaction;
 - b) Select the settlement currency of the credit card (PLN);
 - c) Select the transaction date;
 - d) Enter the transaction amount.
3. Click "Calculate" to check the rate plus conversion commission for the selected currency.
